

“ GOOD EDUCATION
IS THE FOUNDATION FOR A
STRONG NATION ! ”

For four Decades DMA has been raising Global Citizens with integrity, dedication and courage and sending them as torch bearers to different corners on the globe, they're not only carving out a unique niche for themselves but are also bringing pride and glory to the nation by being responsible Doctors, Architects, Scientists, CEOs, CFOs, Soldiers, innovators and creators of a better tomorrow for the world.

*For us patriotism is shaping
lives who work for the progress,
prosperity, pride & peace of the
nation and are ready to put
service before self.*
