VISITS AND SOCIAL MESSAGES**JOY OF GIVING**

Our lives are fulfilling when we give and share, and that great inner joy comes from helping others to better their lives. Giving provides an intrinsic reward that is far more valuable than the gift we receive. As Mahatma Gandhi said: "The best way to find yourself is to lose yourself in the service of others."

DMA and its students firmly believe that true joy lies in the act of giving without an expectation of receiving something in return. The act of giving kindles self-esteem and brings happiness. The students of **classes VI, VII and VIII** experienced the "**Joy of Giving**" when they visited **PremNiwas, JyotiNiwas and several slum areas** of the city on 1st November 2021 and distributed among the needy, the clothes, food items, books and sweets they had brought from their homes. They were happy to see the smiles on the face of the recipients and felt blessed after sharing their tokens of love.
